Simple Way to Fix CDs and DVD's

CD and DVD Supercentres from UK Industrial Tapes can be applied to many surfaces using the self adhesive backing making them the perfect choice for use in fixing CD's or DVD's to presentation packs, mailers, brochures and other CD fixing applications.

They are available in black and white from stock with other colours available upon request .

They are fast and easy to use in a variety of applications, Supercentres are ideal for solving all your CD attachment problems.
