New Range of POS Adhesive Fixing Products

UK Industrial Tapes Ltd, specialist suppliers of adhesive tapes and products, have recently launched a new range of products specifically designed for use in point-of-sale (POS) applications.

The products cover a wide range of applications offering display fixings for products, packaging, signs, displays, fixtures and shelving systems in POS and POP shop, supermarkets and store environments.

The range of Hang Tabs, Hanging Display and Wobblers offer uses in displaying, suspending and promoting products at the POS and POP locations in stores. Their CD/DVD Mounting, Ultra Clear Self Adhesive Discs, Glue Dots, Magnets and Hook & Loop provide a variety of options for the presentation of products, posters, signs and displays.

Where more durable fixings are essential then the range of Magnetic Tape, Toffee Tape, Double Sided Foam Pads & Tape, Polyester Tapes, Tissue Tapes, Double Sided Tapes, ATG Tapes, and their Advanced Bonding System (ABS) offer a wide range of solutions for short and long term fixings.

The complete range is available from their web site www.postapes.co.uk and is also featured in their 2008 16 page printed catalogue which is available free on request.
