

SEAL REPAIR TAPE

WATERPROOF RUBBER SEALING TAPE

A high performance Seal - Repair Tape for many indoor & outdoor applications.

Our SR Tape is an extremely robust, rubberized, waterproof tape that instantly Seals and Repairs against water, air and moisture to create a flexible and secure barrier. It is specially formulated with a thick, flexible, rubberized backing that conforms and flows to any shape or application, due to the high levels of adhesive on the SR Tape, it creates an instant super strong bond.)

Seal Repair Tape is ideal for applying to:

Plastics, Metal, Wood, Glass, Films, EPDM and many more.)

Use the Seal Repair Tape for applications such as:

Plumbing Pipe repairs, Garden Hose, DIY Repairs, Tents & mobile homes, Windows, Doors & Conservatory Sealing, Gutter Seals, Canoes, Rafts, kayaks, boats repairs, Air mattresses seals, Roofing sealing and many more.

How to use our Seal Repair Tape.

A simple 5 step procedure:

1. CUT (leave the release liner on the SR Tape and cut to your desired size)
2. PEEL (remove the release liner, ready to apply to a clean surface)
3. STICK (Apply firm pressure on the SR Tape once you have applied it onto your application)
4. SEAL (Seals and Repairs against water, air and moisture to create a flexible and secure barrier)
5. Bond (once applied the SR Tape cannot be repositioned)

Feature and Benefits of the Seal – Repair Tape:

1. UV resistant, environmentally friendly .
2. VOC free and has a wide temperature range so it can be used in extreme weather conditions.
3. Seal and Repairs large or small cracks, gaps, rips or tears.
4. Can Bond to almost any surfaces.
5. Seals out water, air and moisture.
6. Can be applied in hot, cold, wet or dry environments, even underwater.
